Ambient Pressure Diving Ltd.

EC Directive 89/686/EEC

EC Type-examination

Issue 2

PPE Product

AP Diving OCB Open circuit bailout valve compatible for use with Ambient Pressure Diving Ltd rebreather models Inspiration XPD, EVP and EVO.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the relevant requirements of the harmonized standards:

EN 14143:2013 Self Contained Rebreathing Apparatus.

EN13949 Open Circuit Self Contained Breathing Apparatus for use with compressed Nitrox and Oxygen.

The manufacturer's information notice (Open Circuit Bailout User Instruction Manual Issue 6) contained within the technical file, in English, have been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file: RB110 Open circuit Bailout Valve(OCB) incorporating amendments up to 24/04/2017.
